

# GEAR FOR MUSTERS

## HELMETS

See attached

## RIDER BOOTS

Black or brown plain elastic sided Jodhpur boots (with or without zip) with smooth soles

## REINS

Reins with clips need to be taped

Please no baling twine or similar on equipment, including repair or adjustment.

## SADDLE

English or Western (no horn)

Girth must have 2 girth points (or girth and surcingle)

Stirrup should be suitable size for rider's foot (1 finger width width should be visible each size when boot is in stirrup)

Safety stirrups and toe stoppers are advised for novice riders

## BRIDLE

English or Western

Grass Reins (for riders 8 and under) are allowed

Reins with clips need to be taped

Bits – snaffle is recommended

Bitless – a form needs to be submitted to the club before you can ride bitless

## HORSE BOOTS / EAR HOODS

May be worn, correctly fitted.

SPURS are acceptable - check with attachment as to which are allowed

No mobile phones are to be carried or in a pocket
